### By signing below, you agree to the following:

- This account is assigned to the user as an individual, who is solely responsible for it and all actions taken in behest of the account. The user will not divulge their password to anyone. The user will not let anyone use their account except when receiving assistance from a lab staff member.
- Lab resources may not be used for writing, maintaining, or otherwise producing files, software, or images for a company, organization, or individual who will profit from these works.
- Users will make no unauthorized copies of software on lab machines.
- Users are not allowed to install any personal, unauthorized, or unlicensed software onto any system without explicit approval from lab staff.
- Users will respect all lab resources and equipment, and will not damage any lab equipment. All users will be held responsible for any damage they cause. In support of this policy, no food or drinks are allowed in the lab at any time, for any reason.
- Users agree to follow the lab policies as stated by the Department. Policies can be found in the lab or requested in the main office.
