

3rd Quarter Review (Updated Sept 09) For the MFA in the Department of Design Mandatory

Date: _____

Candidate: _____

The undersigned Graduate Faculty members have reviewed the research and coursework of the candidate above during this the 5th quarter of their graduate enrollment.

The results of the review are as follows:

- _____ Continue in the MFA program
- _____ Deny continuation in the program
- _____ Delay review for one quarter (a rationale must be specified on this form)

A delayed review will cause the student to be placed on departmental probation until the subsequent 5th quarter review that must take place during the following quarter, at which time departmental probation will be removed or the student will be denied continuation in the program.

A one page preliminary research proposal must be given to each committee member one week prior to the review.
