<b>Design 7998</b> Thesis Project	3
--------------------------------------	---

<b>Design 7999</b> Thesis Writing	3
--------------------------------------	---

### Master's Examination

Elective courses maybe taken in any order, and within Design or in other departments or centers at OSU.

#### Studio Electives

Courses providing hands-on experiences that advance skill applied in creative research or to understand and incorporate experimental or applied practices in any discipline.

#### Theory/History/Criticism Electives

Courses providing strong emphasis on history and analytical methods, as well as the philosophical, political, material, and context for works related to design, animation, or interactive media and specific research interests.

#### Interdisciplinary Electives

Courses providing opportunities to study and interact with another discipline beyond design.

#### Design Credits

Courses include: 6200, 6300, 6400, 7998, and 7999.

- For autumn and spring semesters, students on 50% GA appointments must be enrolled for a minimum of 8 credits. For a 25% appointment, the minimum is 4 credits.
- For summer semester, If students on 50% GA appointments must take a minimum of 4 credits. For a 25% appointment, the minimum is 2 credits.

- Internship (up to 6 credits) can fulfill Studio Elective or Interdisciplinary Elective credits depending on the nature of the work experience. This is determined by the advisor.

- \* AAEP 7725, Re-imagining Research through Creative Inquiry, is required (T/H/C Electives credits)
