Dear Graduate Faculty Members:

We recognize these are unprecedented times. Video exams are allowed during this semester and will not require a petition. Please work with your graduating students completing a candidacy exam, thesis oral exam or dissertation defense and be as flexible as possible. We expect you to protect the integrity of exam through whatever method is selected. Please use the resources on <https://keep-teaching.osu.edu> and <https://keep-working.osu.edu> to help your student with a secure internet connection so the remote exam process can be successful. The Service Desk is available on extended hours through weekends if you have questions about these technology tools and teaching considerations.
